

SR501RT

NSN# 6530-01-529-5524

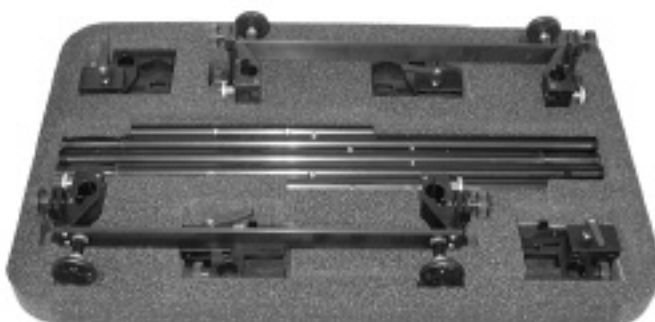

The SR501RT is the table top version of our successful SR901RT. When weight and cube are important and all of the capabilities of the SR901RT are not required, the SR501RT is the perfect choice. Lightweight and compact makes this the ideal piece of equipment for use in combat situations or remote civil applications where a treatment platform is desirable. This unit comes with two (2) Arm Boards, two (2) IV Poles, and one (1) Mayo Tray two (2) Medical Accessory Towers with two (2) Impact Mounting Clamps (Accessory Kit A NSN# 6530-01-529-4842). Available accessories include Stirrups (Accessory Kit B NSN# 6530-01-529-4859); Optional lights (Accessory Kit C NSN# 6530-01-529-4857); PAX LED Lighting System (NSN# 6530-01-549-1089); Legs SR681 (NSN# 6530-01-529-4546); Back Rest (SR700BR) (NSN# TO BE ASSIGNED) and either the Raven or Talon Stretchers. Unit weighs 80 lbs. with a weight capacity of 500 lbs.
