

SR601RT

NSN# 6530-01-497-5607

The design of the SR601RT makes it perfectly suited for today's military and first responders to disaster situations where manpower is limited. The versatility, lightweight, and compactness of the SR601RT provide not only casualty gathering capability but decontamination capability as well. This makes the SR601RT a highly sought after piece of equipment for today's military and emergency response personnel. Available accessories include Dual Wheels (CH471 NSN# 3920-01-511-3701); Additional Kickstand (SR681 NSN# 6530-01-529-4546); Back Rest (SR700BR) (NSN# TO BE ASSIGNED); SR701RT Up-grade Kit (NSN# TO BE ASSIGNED), and either the Raven or Talon Stretchers. Unit weighs 31 lbs. with a weight capacity of 500 lbs.
