

SR801RT

NSN# 6530-01-497-5619

This unit is an expansion of the SR701RT. Designed for use within field medical facilities this four-wheeled, multi-purpose utility table can be accessorized to perform whatever it is called upon to do. The SR801RT is currently being deployed within the Field Radiography System to the United States Marine Corps, US Army, Navy, Air Force and U.S. Justice Department. Regional Mass Casualty Response organizations are deploying this piece of equipment because of its proven versatility. Available accessories include Accessory Kit A (NSN# 6530-01-529-4842): two (2) Accessory Clamps A, two (2) IV Poles, two (2) Arm Boards, one (1) Mayo Tray; two (2) Medical Accessory Towers with two (2) Impact Mounting Clamps; Accessory Kit B (NSN# 6530-01-529-4859: Stirrups; Accessory Kit C (NSN# 6530-01-529-4857): Set of two (2) Examination Lights; PAX LED Lighting System (NSN# 6530-01-549-1089); Back Rest (SR700BR) (NSN# TO BE ASSIGNED) and either the Raven or Talon Stretchers. Unit weighs 89 lbs. with a capacity of 500 lbs.
