

# SR901RT

NSN# 6530-01-521-7984

The SR901RT is truly unique. This Multi-Purpose Utility Table can be utilized to provide a functional operating table which is lightweight and compact to far forward remote areas allowing doctors to stabilize casualties and operate when necessary prior to transport. This table enables assisting nurses to customize the table to the doctor's specific needs for treatment in seconds. Unit comes with Accessory Kit A (NSN# 6530-01-529-4842): two (2) Accessory Clamps A, two (2) IV Poles, two (2) Arm Boards, one (1) Mayo Tray; two (2) Medical Accessory Towers with two (2) Impact Mounting Clamps; Accessory Kit B (NSN# 6530-01-529-4859): Stirrups and Back Rest (NSN# TO BE ASSIGNED); Back Rest (SR700BR) Available accessories include Accessory Kit C (NSN# 6530-01-529-4857): Set of two (2) Examination Lights; PAX LED Lighting System (NSN# 6530-01-549-108); and either the Raven or Talon Stretchers. Unit weighs 175 lbs. with a capacity of 500 lbs.

Shown with newly developed PAX LED Light, Impact Ventilator, and Propac LT.

Shown with optional Raven Stretcher
